## EXPERIENCE THE WHOLE STUBAI VALLEY!

One card – all the highlights!

The Stubai Super Card is your passport to **an amazing summer holiday** in the Stubai valley. Whether you are a passionate hiker, climber or gourmet – there is something for everyone! From May 25 to October 15, 2017, the Stubai Super Card will make your experience of the whole valley and breathtaking mountain landscape even more intense. You receive the Stubai Super Card **when staying with one of the participating accommodation partners. It is valid during your whole vacation – starting the first day.**

### GOOD TO KNOW

**Cable cars:** The Stubai Super Card gives you **direct access** to the cable cars via the turnstile. You do not need to queue up at the counter. Please note that each cable car may only be used once per day (one ride up, one ride down). All cable car schedules are subject to change. These services are only available during the standard opening hours of the service providers.

**Public transport:** You have unlimited access to public transport on the 590 line (Stubaitalbus) between Mutterberg and Innsbruck during standard operating hours. You also have unlimited access to the STB line (Stubaitalbahn) between Fulpmes and Innsbruck during standard operating hours. **If you arrive by train, getting here by public transport is already included.** Please contact your host in time before you arrive.

*Experience the breathtaking Stubai mountain landscape up close.*

## STUBAI CABLE CARS

Easy way to the peak

The Stubai cable cars will take you to many starting points for hiking and mountain tours – all in the height of comfort. The **cosy log cabins and idyllic alpine meadows of the Stubai valley** invite you to relax in the beautiful mountain area.

A detailed overview of the range of hiking trips and tours on offer can be found in the Stubai “Hut Guide” (Hüttenführer-Folder) which is available at Stubai Tyrol Tourist Information. Treat yourself to the culinary delights available in the idyllic alpine meadows and log cabins – even if the sun is not shining, a trip in the cable car is still worth it.

Countless huts and high alpine meadows invite hikers to linger and relax. Above the clouds: the view from the top station of the Serlesbahnen.

## THE STUBAI GLACIER

### Experience the Glacier Sensation

The supermodern 3S Eisgrat cable car and the Schaufeljoch cable car will quickly and comfortably ferry you to an altitude of 3,210 metres above sea level. The **mountaintop platform TOP OF TYROL** is one of the ten most spectacular viewing platforms in the world according to GEO. A breathtaking panorama unfolds in front of visitors' eyes with over 109 mountain summits from the Stubai Alps all the way to the Dolomites. A visit to the **Schaufeljoch Chapel** is also highly recommended. The **Jochdohle, the mountain restaurant with the highest elevation in Austria**, tempts guests with fine dining in front of a breathtaking mountain backdrop. In July and August, the Jochdohle hosts a **daily information round**. At the Eisgrat mountain station, you can enjoy a barbecue, Tyrolean delicacies and ice cream delights. Children are in for lots of fun at the **children's playground**. As a special highlight, visit the **ice cave** near the Eisgrat mountain station and experience a glacier from within (see also bonus partners, page 23).

### Schedule of operation

**until June 18 and from July 1**

First ascent from the bottom station: daily at 8:00 am

Last descent from the top station: daily at 4:00 pm

Open facilities: 3S Eisgrat I and II and gondola Schaufeljoch

## SCHLICK 2000

A mountain experience for the entire family

The family hiking centre awaits you with a total of **65 km of hiking trails** and **a variety of mountain experiences**. Take the cable car up to an altitude of 2,136 metres – from there, follow the artistic panorama path to the **“StubaiBlick” viewing platform** that offers an amazing view of the fascinating Kalkkögel mountain range and the surrounding Stubai mountain vista. Then continue along the **Alpine plant trail**. Next, take the **nature trail** to the **Schlick-eralm** and pick up exciting new insights about the local flora and fauna on the way. From there, the **experience trail** with designated play points along the way will take you to the idyllic Panorama Lake. A wooden disc rolling down the **disc trail** ensures a turbulent descent to the middle station, from where the new **tree house trail** provides a glimpse of the history of the valley town of Fulpmes with extravagantly designed tree houses. The hiking centre also has a varied event calendar to offer during the entire summer season with exciting events such as a traditional beer breakfast, sunrise trips, a forest fete for children, mountain mass and many more.

### Schedule of operation

## SWIMMING POOLS

Relax. De-stress. Have fun!

After a tiring hike, why not relax by plunging your legs into the cool waters of a Stubai swimming pool? The outdoor pools are also perfect for sun worshippers.

The indoor pool in Neustift with attached open-air pool, as well as the outdoor pool in Mieders are available to you daily with the Stubai Super Card. A special highlight **is the new Waterpark Stu-Bay**, which is located between Fulpmes and Telfes. With the Stubai Super Card, 1 entrance for 3 hours is included per week.

Stubai swimming pools: fun for all the family – relaxation and breathtaking mountain view included!

## STUBAY

Take the plunge into paradise

In good or bad weather, if you visit the **bathing and sauna paradise** in the midst of the Stubai Alps, you will be taking a plunge into a veritable holiday world inviting you to spend 3 hours in the bathing paradise (included in the Stubai Super Card) and to enjoy the **brehtaking mountain vista**. Of course, you can also enter our **exclusive sauna area** for the regular price (€9.20 for 4h). Our sauna attendants will surprise you with special infusions at every full hour.

## PUBLIC TRANSPORT

Mobility in the whole valley – and all the way to Innsbruck

The Stubai Super Card also includes **the use of public transport**. You can take Innsbrucker Verkehrsbetriebe buses to the starting point of your hike or to Innsbruck for a shopping trip. The cultural sights in Innsbruck are also definitely worth a visit.

Please consult the bus timetables at the bus stop. The Stubai Super Card is valid on public transport for the **lines 590 (bus) and STB (Stubai Valley Tram)**.

Please note that the Stubai Super Card is NOT valid on the 590N (Nightliner)! In order to avoid overcrowded buses, we would also ask you to take the Stubai Valley Railway (line STB) rather than the bus (line ST) at peak hours between 4:00 pm and 6:00 pm.

Bus line 590

Sightseeing in front of the “Goldenes Dachl”; you can take the bus or the train to Innsbruck and back to the Stubai valley.

## BONUS PARTNERS

Experience even more in the Stubai

**In addition to the many included offers**, the Stubai Super Card also offers **a series of attractive bonus offers**. Just show your card to the many participating partners and **you will save up to 30% on the regular entrance fees**.

(The actual entrance fee for the Stubai Super Card holders results from the partners' regular entrance fee minus 30%. This price will be rounded to the next higher 50-cent amount. Example: the regular entrance fee minus 30% equals € 3.43, therefore the actual reduced entrance fee is € 3.50)

The ice grotto at the Stubai glacier

## ICE GROTTO AT THE STUBAI GLACIER

The Ice Grotto at the Stubai Glacier provides **fascinating insights into the millennia-old glacial ice**. A 200 m tour of the ice grotto provides fascinating information about glacier features such as glacier moraines, glacial milk and a great deal more. And all of this just 30 m under the piste at an altitude of almost 3000 m! The ice grotto can be reached from Rotadl mountain station in 30 minutes. For the hike across the glacier we recommend stout shoes, a warm jacket, a hat and sunglasses.

Admission for Stubai Super Card holders is € 4.50 for adults and € 2.00 for children. (Normal price: € 6.00 and € 3.00 respectively)

**Opening times:** Depending on snow and weather conditions, the ice grotto will be open from July 1 to October 1, 2017 from 08:30 am to 3:30 pm (last admission). This schedule is subject to change. You will find the latest information at [stubaier-gletscher.com](http://stubaier-gletscher.com)

## MUSEUMS IN INNSBRUCK

The Tyrolean Provincial Museum in Innsbruck (Ferdinandeum) offers an exciting experiential space for all who are interested in Tyrol, its history and culture. The **Ferdinandeum** offers a tour through the province, spanning from the Stone Age to the present. The **Imperial Church (Hofkirche)** houses the tomb of Emperor Maximilian I. The **Armory (Zeughaus)** demonstrates typical features of the Tyrolean cultural history. The Tyrolean traditional costume and Tyrolean parlors are represented in the **Tyrolean Museum of Folk Culture**. The core of the **TIROL PANORAMA** is the famous Gigantic Circular Painting (Riesensrundgemälde) in Innsbruck, located at the Imperial Hunter Museum.

Stubai Super Card holders receive a combi-ticket from the Tyrolean Provincial Museum for the price of € 8 (regular price: € 11). The combi-ticket allows access to all 5 buildings on multiple days. Valid until the end of the same calendar year.
